

## Ultrasound Techniques in General Radiology

**Stirling**  
Saturday 1st November 2025

**Hotel Colessio**  
33 Spittal Street, Stirling, FK8 1DU  
Times: 09:30 – 15:15

### ABOUT THE EVENT

Enhance your everyday practice with practical techniques and clinical insights at a complimentary study day focused on ultrasound in general radiology. Designed for Sonographers, Consultants and Registrars, this event offers an opportunity to strengthen your core skills, improve diagnostic confidence and learn approaches you can apply immediately in a general radiology setting.

Led by experienced clinicians, the programme will explore real case examples and share techniques that support accurate, efficient scanning across a wide range of examinations. You'll also hear about the latest developments in ultrasound technology and how they can help raise standards in routine imaging.

### HOW TO SECURE YOUR PLACE

#### Complimentary Course

If you would like to reserve a place at this event please register your details on the Canon Medical Academy website:

[academy.eu.medical.canon/courses/Stirling-2025](https://academy.eu.medical.canon/courses/Stirling-2025)
